(U) Econ Off and POL Intern delivered reftel talking points to Deputy Permanent Secretary at the Ministry of Communications Halldor Kristjansson on July 10 and followed up with a diplomatic note. Kristjansson commented that many others are seeking Iceland's support at the UPU Congress and he could not comment on whether or not Iceland will support U.S. objectives at the Congress. He said that likely the Icelandic Ambassador in Geneva would head the delegation, along with a representative from the Ministry for Foreign Affairs.
